

This is My World

Módulo 2: De quién soy a qué me rodea

I AM
(Yo soy)

PEOPLE
(Mi gente)

**MY
WORLD**
(Mi mundo)

Después de aprender a decir quién eres, comienza la expansión. No necesitas miles de palabras, solo aprender a conectar lo que ya está en tu entorno.

Las conexiones que nos unen.

HER name is Ana.
(Su hermana)

She is
friendly.

HIS name is Daniel.
(Su amigo)

He is
tall.

THEIR family.
(Su familia)

They are
happy.

Las palabras como his, her y their son los hilos que nos conectan. Los adjetivos dan precisión y color a nuestras relaciones.

Localizando tus objetos en el espacio.

THAT
is my computer.

THAT
is my computer.

THOSE
are my books.

THIS is
my book.

THESE are
my notebooks.

Un objeto (Singular) ↔ Varios objetos (Plural)

Cerca (Here) ↔ Lejos (There)

Diseñando tu propio espacio

**THERE IS
a bed.**

(Para ubicar una cosa)

**THERE ARE
three books.**

(Para ubicar varias cosas)

I am Sofía.

THIS is my family.

HIS name is Alex.

HE IS friendly.

THIS is my room.

THERE IS a computer
on the desk.

THERE ARE two books.

Tomar los bloques que ya conoces y combinarlos.
Ya tienes las palabras suficientes para responder:
How can I describe the people and things around me?
